

Training Summary

Title of Course: Unallowable Costs

Medium/Format: Web-based

Target Audience: Financial and program managers

Length: 27 Web pages

Site/Provider: Lawrence Berkeley National Laboratory (adapted from owner/author LLNL)

Point of Contact: Charles Axthelm (510) 486-4461

Summary:

- Defines unallowable cost terms and criteria
- Gives good “real life” examples of potential unallowable costs
- Contains useful links to local financial and procurement policies
- Easy to use

Adaptability:

- Specific to LBNL, but concepts are universal

Date Reviewed: February, 2002
